

# Introduction to Database Design, Fall 2011

Rasmus Pagh

29. september 2011

## **Exercises on indexing**

In addition to working on indexing for hand-in 2, I recommend that you try to solve the following exam problems:

1. Page 8: January 2009, problem 6.
2. Page 14: January 2007, problem 5.
3. Page 27: January 2006, problem 4.
4. Page 50: Trial exam 2003, problem 6.
